## 74.95 lakh siphoned-off from SBI bank ATMs in Rajasthan, authorities clueless

Barmer Unknown accused have siphoned off 74.95 lakh from 28 ATMs of the State Bank of India located in Rajasthan's Barmer district between November 22 and January 5, said police. A complaint was lodged by the bank authorities on February 3, almost a month after the fraud first came into light on January 5, said Prem Prakash, circle inspector at city police station in Barmer. Sujeet Jha, the manager of SBI branch in Barmer city, on Wednesday, filed a complaint of fraud with the state police alleging unknown accused had withdrawn a total of 74.95 lakh in around 800 transactions, carried out between November 22 last year and January 5, 2021, at the 28 ATMs of SBI bank, located in Barmer city. The complaint further stated that

the accused used ATM cards of different banks to withdraw money from SBI ATMs. Shedding more light on their modus operandi, the complaint alleges the accused used to affect power failure at the ATMs right at the time of the disbursement of cash, resulting in the ATM machine incorrectly recording it as a failed transaction. The accused carried out around 800 such transactions to siphon off nearly 75 lakh in a month and a half between November 22, 2020 and January 5, 2021. A case under section 420 (cheating), 406 (breach of trust), 409 (criminal breach of trust by banker) and 120B (criminal conspiracy) of IPC and 67 (c) (D) of the IT Act has been lodged.

When asked why the bank authorities took around a month's time to report the fraud, the police official said it was being looked into. The complainant Sujeet Jha refused to comment on the issue.

## Bihar plans financial inclusion of rural women by scaling up Jeevika

Patna, Bihar has taken three initiatives aimed at financial inclusion of rural women associated with over 10.30 lakh Jeevika self-help groups spread across the state - the highest in the country - in the new fiscal. Last year, Bihar became the first state in

the country to cross the 10 lakh mark for self-help groups of women under Jeevika, a World Bank supported poverty alleviation programme operational in the state since 2007 to make women self-reliant. Bihar chief minister Nitish Kumar has been keen to use Jeevika as a tool of women empowerment since he became CM in 2005. In one of the big initiatives, Jeevika SHGs have been given the contract for supplying school uniforms to students from class 1-12 in state-run schools. Bihar has nearly 1.80 crore school children. While students of classes 9-12 get 71000 each annually for buying uniforms, those from classes 8 get 7700 each, those from classes 3-5 get 7600 each and students of classes 1 & 2 get 7500 each. The education department last week issued an order that the uniforms - two sets for each student - would be purchased from Jeevika SHGs and clusters of the industry department at the local level in a phased manner from the next academic session. The funds given to the students in their bank accounts through direct benefit transfer (DBT) will be used for the purpose.
