Terms and Conditions for sale of portion of property bearing Lease hold land bearing survey Nos. 439/499,442,478/500,443/501, 445 and 480/502 admeasuring 30 Hectares at Village Barabag, Patwari Halka - Amar Sagar Tehsil, District Jaisalmer, Rajasthan together with building and other structures including plant and machinery including 12 windmills of 230 KW each of Enercon Make under Swiss Challenge Method.

1. SICOM Ltd. proposes to conduct the sale of portion of property bearing Lease hold land bearing survey Nos. 439/499,442,478/500,443/501, 445 and 480/502 admeasuring 30 Hectares at Village Barabag, Patwari Halka - Amar Sagar Tehsil, District Jaisalmer, Rajasthan together with building and other structures including plant and machinery including 12 windmills of 230 KW each of Enercon Make under Swiss Challenge Method on "As is where is, as is what is, whatever there is and without recourse basis" under Section 29 of State Financial Corporation (SFC) Act 1951.
2. The sale of property is being conducted under Swiss challenge Method which will involve two rounds of bidding as under:
3. **Round 1:-**
 - a. In term of the Advertisement dated **June 26, 2021**, SICOM has invited the Offer/EOI from the interested buyer/bidder for purchase of property as mentioned in the Schedule- I.
 - b. The interested buyer/bidder shall initially forward his offer alongwith EMD of 1% of the offer price by way of DD/Pay order drawn on any Nationalised Bank/Scheduled Commercial Bank.
 - c. Based on the highest offer, SICOM Ltd at its sole discretion shall decide the reserve price and the terms and conditions of auction of the property.
 - d. The highest bidder/offeree ('Original Bidder') will then be informed by SICOM regarding his offer being considered for setting the reserve price for public auction.
 - e. The highest bidder/offeree will then have to furnish additional EMD of 4% of the offer price within 3 working days from the date of letter of SICOM about acceptance of his offer for setting the reserve price upon which SICOM Ltd will then go ahead with the auction process.
 - f. If for any reason the highest offeror fails to submit the additional 4% EMD within the stipulated time, SICOM Ltd reserves the right to approach the second highest offeror/third highest offeror and so on, in order of preference and negotiate with him to match up to the highest offer or increase beyond it. Thereby a negotiated offer amount would be reached and that negotiated amount would become the reserve price. The 2nd highest offeror who has given highest offer in the negotiation will then have to furnish additional 4% of EMD and he shall be entitled to first right of refusal and he will become the Original bidder.
 - g. The EMD of 1% of the original highest bidder/offeree who has failed to submit the additional 4% EMD and other bidders/offeree with lower offers shall be returned.

However, if interested, they may participate in the subsequent public auction with fresh EMD of 10%.

- h. The buyer/bidder/offeror, whose offer is considered for setting the reserve price, shall be entitled to right of first refusal in the subsequent public auction.

4. Round 2:-

- a. SICOM will then issue public auction notice in two newspapers and public bids will be invited based on the reserve price so determined.
 - b. All other bidders who wish to participate in the public auction will have to furnish EMD of 10% of the Reserve Price. Accordingly, the original buyer/bidder on the basis of whose offer, the reserve price has been fixed will have to furnish additional EMD of 5% of the reserve price in addition to the 5% (1%+4%) already furnished as a part of the process of fixing the Reserve Price. Thus, the total EMD would be 10% (1%+4%+5%) of the reserve price.
 - c. In case buyer/bidder whose offer is considered for setting the reserve price, does not participate in the subsequent public auction, the EMD of 5% (1%+4%) submitted/furnished by the buyer/bidder/offeror i.e. Original Bidder will be forfeited.
 - i. If in the public auction, there is one or more bidders, other than the original bidder on the basis of whose offer the reserve price has been fixed, then the bidding will be conducted among the bidders including the original bidder in terms of the public auction. The Original bidder would be entitled to match/better the highest bid in the public auction in terms of his right of first refusal.
 - ii. However, if Original bidder does not exercise this option, he may withdraw from the process and his EMD of 10% (1%+4%+5%) will be returned provided he has participated in the public auction.
5. SICOM Ltd reserves the right to cancel/postpone the public auction process at any point without assigning any reason thereof.
 6. SICOM Ltd reserves the right of rejecting/cancelling/not considering any particular offer or offers without assigning any reasons thereof.
 7. Decisions of SICOM Ltd shall be final and binding on all parties.
 8. The jurisdiction for any dispute arising under the terms of this engagement shall be the Courts/ Tribunal at Mumbai.
