(super built up area) at Sector 15(II), near 32<sup>nd</sup> Mile stone, situated in Revenue Village Silokhara, Tehsil & Dist, Gurgaon, Haryana under Swiss Challenge Method**

1. SICOM Ltd. proposes to conduct the **sale of property being entire 1<sup>st</sup> floor (2 wings) of MVL iPark admeasuring 23987.802 sq. ft. (super built up area) at Sector 15(II), near 32<sup>nd</sup> Mile stone, situated in Revenue Village Silokhara, Tehsil & Dist, Gurgaon, Haryana under Swiss Challenge Method** on “As is where is, as is what is, whatever there is and without recourse” basis under SARFAESI Act.
2. The dues of Municipal Corporation of Gurugram (MCG) and all other dues of whatsoever nature shall be borne/paid by the buyer to MCG and it shall not be part of sale consideration.
3. The sale of property is being conducted under Swiss challenge Method which will involve two rounds of bidding as under:
  - a. The interested buyer/bidder shall initially forward his offer alongwith EMD of 1% of the offer price by way of DD/Pay order drawn on any scheduled commercial bank.
  - b. Based on the highest offer, SICOM Ltd at its sole discretion shall decide the reserve price and the terms and conditions of auction of the property.
  - c. The highest bidder/offeror will then be informed by SICOM regarding his offer being considered for setting the reserve price for public auction.
  - d. The highest bidder/offeror will then have to furnish additional EMD of 4% of the offer price within 3 working days from the date of letter of SICOM about acceptance of his offer for setting the reserve price upon which SICOM Ltd will then go ahead with the auction process.
  - e. If for any reason the highest offeror fails to submit the additional 4% EMD within the stipulated time, SICOM Ltd would reserve the right to approach the second highest offeror/third highest offeror and so on, in order of preference and negotiate with him to match up to the highest offer or increase beyond it. Thereby a negotiated offer amount would be reached and that negotiated amount would become the reserve price. The 2<sup>nd</sup> highest offeror who has given highest offer in the negotiation will then have to furnish additional 4% of EMD and he shall be entitled to first right of refusal.
  - f. The EMD of 1% of the original highest bidder/offeror who has failed to submit the additional 4% EMD and other bidders/offerors with lower offers shall be returned. However, if interested, they may participate in the subsequent public auction with fresh EMD of 10%.
  - g. The buyer/bidder/offeror whose offer is considered for setting the reserve price, shall be entitled to right of first refusal in the subsequent public auction.
  - h. SICOM will then issue public auction notice in newspapers and public bids will be invited based on the reserve price so determined.

- i. All bidders who wish to participate in the auction will have to furnish EMD of 10% of the Reserve Price. Accordingly, the buyer/bidder on the basis of whose offer, the reserve price has been fixed will have to furnish additional EMD of 5% of the reserve price in addition to the 5% (1%+4%) already furnished as a part of the process of fixing the Reserve Price. (Thus, the total EMD would be 10% (1%+4%+5%) of the reserve price).
  - j. In case buyer/bidder whose offer is considered for setting the reserve price, does not participate in the subsequent public auction, the EMD of 5% (1%+4%) submitted/furnished by the buyer/bidder/offeror will be forfeited.
  - k. If in the public auction, there are one or more bidders other than the original bidder on the basis of whose offer the reserve price is fixed, then the bidding will be conducted among the bidders including the original bidder in terms of the public auction. The original bidder will be entitled to match/better the highest bid in the public auction in terms of his right of first refusal.
    - l. However, if original bidder does not exercise this option, his EMD of 10% (1%+4%+5%) will be returned provided he has participated in the public auction.
4. SICOM Ltd reserves the right to cancel/postpone the public auction process at any point without assigning any reason thereof.
5. SICOM Ltd reserves the right of rejecting/cancelling/not considering any particular offer or offers without assigning any reasons thereof.
6. The decisions of SICOM Ltd shall be final and binding on all parties.
7. The jurisdiction for any dispute arising under the terms of this engagement shall be the Courts/ Tribunal at Mumbai.
